

**2021 – 2022 SOUTH CAROLINA ALL-STATE CHORUS
AUDITION REGISTRATION PRINCIPAL AUTHORIZATION FORM**

To the School Principal:

Thank you for taking the time to complete this form. It is an important step in the All-State Chorus Audition Registration process. You will find the guidelines for the audition process on our website www.choraldivision.org. Please view the rules and guidelines. Please read them carefully. Your choral director should have also provided for you a list of students who plan to audition. Please review this list as well.

After you have reviewed the All-State Chorus Audition Registration guidelines and the list of participating students, please sign the bottom of the form and return it to your choral director.

Again, thank you for taking an interest in the choral education of your students. It is a vital aspect of the education your school provides.

The attached list of students will be participating in the **2021-2022 All-State Chorus** Audition process.

I certify that the students are enrolled in the school named below; are classified in the 10th, 11th, or 12th grades; and are **enrolled for credit in the school's choral program.**

I have read the guidelines governing the audition process and agree to have the students abide by those rules throughout the process.

All non Covid-19 absences from the All-State Weekend will be reviewed by the All-State Committee and could result in consequences to the school and/or student(s) involved.

All written documentation pertaining to absences (including Covid-19 related absences) must be submitted to the All-State Weekend Coordinator two weeks prior to the All-State weekend.
