## MIDDLE SCHOOL CHORAL CLINICS

### 1. Purpose

Choral clinics give students from different choral backgrounds throughout the state an opportunity to rehearse and perform together under the direction of a professional conductor. Participation in these clinics will:

1. Unify large and small choruses in the common goal of performing challenging choral repertoire.
2. Allow students to hear other groups perform in a positive, non-competitive atmosphere
3. Give teachers an unparalleled opportunity to share ideas, music, and "tricks of the trade" and to benefit from first-hand observation of other choruses and conductors.
4. Offer students opportunities to be taught by other choral directors.

### 2. Registration

1. Registration materials must meet the postmark deadline and be accurate and complete in order for choruses to participate.
2. Participants in the clinics must be sixth, seventh, eighth, or ninth grade students attending a middle or junior high school and enrolled in the choral program of the school. Teachers must be current NAFME members. **Sixth grade students may only attend the 6<sup>th</sup> Grade Clinic.**
3. Registration fee is **\$5.00** per student. Teachers may bring only the number of students preregistered. Teachers may wish to pay for a few extra students.
4. Payment must be made by checks, money orders, or credit card. *No purchase orders.*
5. A second location choice must be indicated on the registration form and directors should prepare to attend either their first or second choice. Schools are assigned to clinics on a first come, first served basis.
6. Directors will receive **confirmation via email** of their clinic assignments within 10 days of the registration deadline and should read this information carefully in case changes have been made to the original clinic date or location. Clinic chairpersons will send detailed information (schedule, directions, lunch arrangements, etc.) to clinic participants.
7. *NO refunds will be made after the registration deadline date.*
8. If a school is unable to attend a clinic for which it is registered, the teacher should contact the chairperson as soon as possible.
9. School or districts are not to (1) send checks separate from the registration form or (2) send a combined check for more than one clinic or more than one school.
10. **Some districts will require Tax ID information in order to send a check for clinic registration.** Teachers should request this information from the Choral Division Treasurer in advance of the registration deadline so all registration materials can be postmarked on or before the deadline.
11. South Carolina State Ethics Law states that Clinicians or Accompanists who bring their own students **will not receive payment.**

### 3. Schedule/Rehearsal Session

1. Clinics must take place during school hours. The local chairman will determine the schedule for his/her clinic based on site restrictions, the number of schools participating, the clinician's schedule, etc. The clinic schedule generally includes a morning rehearsal session, optional inclusion of a short lunch break at the clinic site, individual school performances and a final "performance" of clinic music.
2. If the clinic schedule includes a lunch break, students and chaperones should bring a bagged lunch and drink.
3. All schools participating must be prompt. Schools may need to find an alternative to school bus transportation should this pose a problem. If you are traveling out of town, do not expect to return by the end of your school day!
4. If district transportation is unable to meet the clinic arrival and departure time, the school is to use alternative transportation. Clinics will not be held up for tardy groups. Late groups will be seated at the discretion of the site chairperson. **Schools that arrive late or leave early may receive a Notification of Rules Violations form.**
5. Each choral director is responsible for the advanced preparation of all the clinic pieces. Music must be memorized, and students must have copies of the music available as the clinician desires. *EXCEPTION: SSA and TTB students are NOT required to have the music memorized but must have the music in hand at the clinic.* **PHOTOCOPIED MUSIC AND WORD SHEETS ARE NOT ACCEPTABLE.**

### 4. Behavior

1. Each school **MUST** bring at least one chaperone per 15 students. *The choral director can serve as a chaperone for 10 or fewer students.* Chaperones may include parents and teachers, but the choral director should not be counted as a chaperone (unless there are 10 or fewer students).
2. Teachers and chaperones will constantly supervise their students at the clinic and during the rehearsal and individual school performances. Teachers who fail to provide adequate supervision for their students will be notified by the committee chairperson and appropriate action will be taken by the Middle School Clinic committee.
3. Teachers will prepare their students concerning appropriate behavior for the entire clinic day:
  - a. Students should exhibit correct posture during the rehearsal and during the individual performances.
  - b. A positive attitude and a spirit of unity should be encouraged.
  - c. No talking or disruptive behavior.
  - d. No "booming" or other negative responses for any reason!
  - e. Standing ovations are inappropriate.
  - f. No hats are to be worn.
  - g. No gum or candy is allowed
  - h. Students must remain in the designated areas only and must be accompanied by a teacher or chaperone at all times.
  - i. No electronic devices or cell phones are allowed.

- j. Restroom breaks are at the discretion of the local chairman and clinician.
- 4. Teachers with large groups are asked to bring their manageable, disciplined, best behaved students as well as adequate chaperones that assist in monitoring.

**5. Individual School Performances (SSA, SATB, and Sixth Grade Clinics Only)**

1. Each school will be encouraged to perform ONE selection, not to exceed eight minutes (including entering and exiting the stage area).
2. The director will choose the individual performance piece.
3. The individual performance piece cannot be one of the clinic selections.
4. Choreography (including snapping, stomping, etc.) should not be included during the individual performance unless it is part of the written score.
5. Groups may perform a cappella or with piano accompaniment only (taped/CD accompaniment not allowed). Other accompanying instruments such as flutes, tambourines, guitars, etc. are allowed if it is a part of the written score. **Directors who do not bring an accompanist for their individual performance are encouraged to send a copy of their performance piece in advance to the clinic's accompanist.**
6. The director will receive comments only from the clinician. No ratings will be available.
7. Teachers must provide one copy of their performance piece with the measures numbered for the clinician. **PHOTOCOPIES ARE ILLEGAL AND MAY NOT BE USED.** Turn in clinician's music to the clinic chairperson.
8. Each INDIVIDUAL SCHOOL PERFORMING GROUP will receive a certificate of performance or may purchase a PLAQUE. (Use the PLAQUE ORDER FORM.)
9. Each participating school that does not perform will receive a certificate of participation.

*All above guidelines must be followed or the director and/or school risks being placed on probation and/or barred from participation in future clinics.*

2. The same choral director (even if transferred to another school in S.C.) again fails to adhere to the rules or commits two or more Committee Rules violations during the same event. Choral director and school will be put on probationary status. The school choral director, school principal, and Choral Division President will receive written letters from the committee stating that the school may still participate, but the SCMEA By-Laws and Committee Rules serve a real and valuable purpose and it is the Choral Director's responsibility to adhere to them. The letter will contain the event, date, and quote the exact committee rule(s) that were violated. The letters will also direct committee members who teach in the same region of South Carolina to serve as a mentor during this probationary period and submit written documentation to

the committee chairperson. Lastly, the letters will state that a recurrence of future violations will result in the students involved, or the Choral Director and the school choral program being barred from attending SCMEA events for one year.

3. (a.) If the Choral Director continues to commit Committee Rules violations after #1 and #2 are issued, either the students involved, or the Choral Director and the school choral program will be barred from participation of all SCMEA Choral Division events for one year. (b.) If the evidence of violations is the direct result of the Choral Director's repeated negligence to review and adhere to the guidelines, the Choral Director (same or different school) and the choral program will be barred from participating in all Choral Division events for one year. The letters (a. and b.) will be mailed to the Choral Director, Principal, District Music Consultant, and Choral Division President containing the documented history of rules violations, dates, and quote the most recent committee rule(s) that were violated. Committee members who teach in the same region of South Carolina will continue to serve as a mentor during this period and submit written documentation to the committee chairperson.

### **HIGH SCHOOL REGION CHOIR**

The purpose of the SCMEA Choral Division Region Choir is to provide an opportunity for vocally talented 9-12 grade students to work with a well-known expert clinician culminating in a concert presentation for the public. The experience will provide the following:

1. an opportunity for musical growth and development above the traditional classroom setting through the intense study of challenging repertoire;
2. an opportunity to encourage continued participation and support in local school choral programs;
3. an aesthetic gift to the local communities supporting each Region Choir site.

#### **A. SELECTION**

If the school is located within the Region of the site, directors may bring up to 16 vocalists in balanced quartets (SATB). If a director has unbalanced quartets or they would like to bring more than 16 vocalists, they should contact the Region Choir Chairperson, Nicholas Shumate [nshumate@lexrich5.org](mailto:nshumate@lexrich5.org), before registering their students for approval. Students must be active members of the school's choral program. If a school is on 4X4 Block/Semester Scheduling, please communicate with the Chairperson so that they are aware. **Directors are encouraged to bring**

**students who are prepared and know the music before their first rehearsal at Region Choir.**

Directors are welcome to attend any Region Choir Site regardless of where their school is located. Because Region Choir is not auditioned, the committee gives directors this choice. Directors are also encouraged to bring as many students as they like, however if you are bringing more than what is specified above, please communicate that to make sure we aren't over capacity or unbalanced in voicing.

**SC Choral Division Region Map is located at the end of the Choral Division Handbook.**

**ALL-STATE CHORUS**

The All-State Chorus program was organized to provide an opportunity for superior choral students in South Carolina to sing together and to represent the state in statewide events. Students who participate in All-State have an opportunity to further utilize the skills obtained and developed in their local school programs. The South Carolina All-State Chorus program provides an intensive and demanding vocal experience which fosters self-discipline and personal growth as well as musicianship.

**A. MEMBERSHIP**

1. Membership in the All-State SATB, All-State SSAA Chorus and All-State TTBB Chorus is on the basis of total points received in the audition. Students in the 10th, 11th, 12th grades must be enrolled for at least one credit during the 20-21 school year in a school choral program directed by a member in good standing of SCMEA and NAfME. Home-schooled students who are enrolled in a public or home school choral program for at least one credit in the 21-22 school year must provide documentation which qualifies them as 10th, 11th, or 12th grade students as well as a member of a South Carolina Home School Association at the time of registration. A copy of the director/member's current membership card should be sent with the registration form. A director may not sponsor students who are enrolled in a school other than his/her own. Failure to comply with these rules will result in the involved student(s) not being able to participate in the All-State weekend and their school being suspended from participating in auditions for the next academic year.

2. If your membership card expires between October and November, and you do not receive your new registration card before the audition deadline, please email a copy of your receipt to

Lizzi.Elliott@lcsd.k12.sc.us . If you do not send updated information, your auditions will not be scored.

## **B. REGISTRATION FOR AUDITIONS**

1. Choral directors should limit registration only to students who possess superior musical skills. Audition registration information can be found at [www.choraldivision.org](http://www.choraldivision.org) .
2. Teachers must submit All-State Audition Registration through the process designated by the All-State Chairman. The registration process is completed online, then followed by a hardcopy mailing.
3. Audition Request Forms must be signed by the sponsoring choral director and the principal of each participating school.
4. The audition fee is fifteen dollars (\$15.00) per student and must be remitted to the All-State Chairman along with a hard copy of the Audition Request Form. Please send only one school check, personal check, or money order payable to SCMEA Choral Division . Your check must be included in your registration mailing. Without a check, your registration will be considered incomplete and will be returned. If you pay online, you MUST include a copy of your receipt that shows the amount and the number of students you paid for. You can pay online: <https://scallstate.eventbrite.com>, but you must include a hard copy of the receipt with your registration.
5. Registration forms and appropriate fees must be postmarked by Friday, October 29, 2021. (LATE AND/OR INCOMPLETE REGISTRATIONS WILL NOT BE SCORED . NO EXCEPTIONS!!). It is recommended that this application be sent by certified mail. Please send Registration to: Lizzi Elliott, Andrew Jackson High School, 6925 Kershaw Camden Hwy., Kershaw, SC 29067.
6. Once the audition form has been submitted to the All-State Chairperson, no refunds will be made, no substitutions of names will be allowed, and no changes can be made.

## **C. REGISTRATION INSTRUCTIONS**

ALL REGISTRATION MUST BE COMPLETED ONLINE  
Go to [www.choraldivision.org](http://www.choraldivision.org) and follow links to All-State. Follow all directions precisely and accurately. All registering directors MUST have a working e-mail address that they check frequently. Please carefully check your e-mail address as you type it on the registration form. Questions about eligibility and the online registration process should be directed to Lizzi Elliott at [lizzi.elliott@lcsd.k12.sc.us](mailto:lizzi.elliott@lcsd.k12.sc.us)

## **D. AUDITIONS**

1. Auditions will be held virtually this year. All recordings must be submitted by 10/29/21. Due to the nature of electronic submissions, this is a firm deadline regardless of if we are in person teaching or virtual.
2. Auditions will consist of the prepared selection: "Hallelujah, Praise the Lord"
3. The prepared audition selection portion of the South Carolina All-State Chorus auditions will be recorded and submitted using [lyricscore.net](http://lyricscore.net). Students will record using the prompts that are provided. The prompts begin with all voice parts being played in addition to the piano

accompaniment, and at measure 20 all voice parts drop out with the accompaniment continuing to the end. This should be an audio recording and you will need to have both the prompt **and** the student voice in the recording.

4. Three judges will adjudicate each voice part. Each student will receive scores from three judges for the prepared piece. Individual student scores for the prepared piece will be determined immediately. The score range will be 0 – 50 from each judge. Each judge will award up to ten points in each of the following categories: Rhythmic and Timing Accuracy, Pitch and Intonation, Diction, Tone Quality, Musicality. Scores from all three judges will be combined for a total score for the prepared piece. The maximum score possible for the 2021 auditions will be 150 (50 points from three judges).
5. All audition files must be uploaded by 7 p.m., October 29, 2021. Late files WILL NOT be accepted. Although students may have previously been members of the All-State program, they will be required to audition again. \*\*Please do not wait until the last minute to upload all of your audition files. If the system gets overloaded and does not upload your files by the deadline, your auditions will not be scored. Again, please plan ahead and do not wait until the very last minute. Files will be uploaded at [www.lyricscore.net](http://www.lyricscore.net) . This is also where you will register the students.
7. All incidents or exceptions pertaining to the All-State rules and regulations will be subject to review by the All-State Committee and could result in consequences to the school and/or student(s) involved.

## **E. SELECTED PARTICIPANTS**

1. The All-State Chorus will be composed of three ensembles (SATB, SSAA, TTBB) chosen at random from the highest scoring students. No alternate All-State Chorus members will be selected nor may any teacher make any substitutions. Failure to comply with the substitution rule will result in the substituted students not being allowed to participate in the All-State weekend and their school being suspended for the next academic year.
2. Selected participants and score sheets will be posted on the [lyricscore.net](http://lyricscore.net) website. Cut-off scores, and other information will be emailed to each director after auditions have been completed. It is the responsibility of the director to double-check the scores and notify students of their acceptance into the All-State Chorus. If you do not receive an email, or have questions about scores, please contact Lizzi Elliott, Audition Coordinator.
3. Schools that do not have any students selected **may** be invited to bring their top scoring student to participate in the All State Chorus weekend. The highest score from the school must be over 100 in order for an invitation to be extended. The student will be a part of the All State choir, but will not be eligible to receive scholarships from colleges due to All State acceptance.
4. Teachers are responsible for the preparation of the music by their students prior to the All-State weekend. In the event an unbalanced group is chosen from any one school, cooperative learning rehearsals may be conducted by combining two or more schools. Teachers should not expect students to learn the music entirely independently. Rehearsal tracks will be provided for each student.

5. Attendance : All students that have been selected for the All-State Choirs must attend 100% of the All-State Weekend. All absences will be reviewed by the All-State Committee and could result in consequences to the school and/or student involved. All written documentation pertaining to absences must be submitted to the All-State Weekend Coordinator two weeks prior to the All-State weekend. In case of an emergency, you must provide documentation at All State registration.

\*\* PLEASE NOTE : We will provide information about All State weekend as it becomes available. The current plan is for All State to be March 3-5, 2022 at Winthrop University. The committee is currently researching ideas for a virtual honor choir experience if needed. Stay tuned for more information as it becomes available.

\*\*Still not sure how the Scholarship system works?

Step One: Achieve a Superior in the high school division. This can happen in 9th - 11th grade.

Step Two: Achieve a Superior in the Advanced Division. (NOTE: You MUST achieve a superior in the regular division BEFORE you can compete in the advanced division) This can happen in 11th-12th grade.

NOTE: A Senior cannot compete in the high school division, advanced division, and scholarship division in the same year. They must have achieved a superior in the high school division in a previous year. If a student transfers from out of state during the second semester of their junior year or during their senior year, special accommodations can be made. Those students that transferred will be allowed to compete in high school, then advanced, and then scholarship division within the same year.

If you still aren't sure, email questions to Erin Phillips at ephillips@sdoc.org BEFORE submitting your registration! Thanks!

Upstate: Wednesday, March 30, 2022  
Lowcountry: Thursday, April 7, 2022
2. Participating choral directors must be members of SCMEA and present your membership card or proof of current membership. It is the director's responsibility to provide this information on online registration and to ensure that it is valid and current. If membership proof is not provided, performance will be denied. No refunds will be issued. Scans of your Principal Authorization form must accompany the Online Registration Form through the online submission link provided. Registration Forms, Principal Authorization Forms, Repertoire Forms, and materials must be completely filled out when submitted. Any Registration forms that are not completely filled out and turned in by the dates below will constitute a rules violation in which the appropriate steps will be

followed as outlined by the choral division. These steps can be found at the end of the rules and handbook. It will be at the discretion of the committee if the choir performs. If the choir does not perform, there will be no penalty.

3. The registration fee is \$180.00 per choir and must be submitted with the Cover Sheet postmarked by **Friday, December 17, 2021**. Online registrations must be completed by 11:59 PM on **December 17, 2021**. No money will be refunded due to cancellation after **February 11, 2022**. Schools registering two or more choirs may submit 1 check for their school; however, checks (or any registration material) from middle schools will not be accepted by the high school choral festival committee and vis-versa. \*\*Please, remember your Cover Sheet. Note: Late registrations and/or fees will not be accepted. Mail to: Lisa Cunningham 852 Thackston Dr. Spartanburg, SC 29307 The following classifications will be used for registration of choirs based on South Carolina High School League classifications:

AAAAA

AAAA

AAA

A-AA

In addition, choral directors will classify their choir for one of two choices:

a) Comments Only;

b) Ratings.

5. An individual school may not register more than 3 (three) choirs without approval from the High School Choral Performance Assessment Committee. Note: Choirs must have at least 16 members in order to participate. Additional choir registration requests may be submitted for consideration if the schedule permits. Registration for additional ensembles must be submitted and fees paid with the initial registration. If special requests are denied, the registration fee for those ensembles will be refunded.
6. Choirs from the same division will perform consecutively within the parameters of the schedule template. Choirs must perform on the scheduled day and time in which they are assigned. Any exceptions will be made by the committee due to logistics and time constraints of the festival. These decisions are determined by the number of registrations received.
7. Ensemble performance times will be assigned using a predetermined template based on the number of registrations per division, size of choirs, facility availability, number of ensembles per school, etc. The template will be created to allow choir assignments for logistical purposes of the festival (size, type, division, warm-up rooms, etc.). Commute times will be researched on MapQuest prior. Choirs with a commute of 2 hours 30 minutes or more will not be scheduled before 9:00 am unless otherwise arranged with the choral director from the affected school. Choirs with the same director may be scheduled less than 1 hour apart. Choirs with the same director and from the

same school will not be scheduled on separate days. Choirs from different schools who share one director may be scheduled on separate days.

8. The schedule of the festival will be EMAILED to registered choral directors. Verification of registration, posting of schedule, and performance site instructions will be communicated through email and posted on the Choral Division website. Directors need to provide 2 working email addresses that are checked daily and prevent festival emails from being blocked. It is the director's responsibility to make sure s/he has working emails that are checked and emails are being received. Directors are responsible for keeping up with deadlines, paperwork, and information that is distributed by email.
9. Festival day procedures will be sent out by email to registered directors prior to festival. Follow these procedures precisely.

### **B. PERFORMANCE PROCEDURES/RULES**

1. Choirs are provided a warm-up room for twenty minutes. Choirs must be ready to be collected by festival workers at least 3 choirs ahead of performance in the location that was reported to the Registration Desk.
2. If your choir is late, the warm-up time will be forfeited. The festival must stay on schedule (as much as possible) for all choirs involved. If your choir arrives past their assigned performance time, the choir will not perform.
3. Choirs will be adjudicated on TWO pieces. Each choir has the option of performing a warm-up piece first that will not be adjudicated. All repertoire, including the **warm-up piece** must not exceed 10 minutes of performance time. Travel time on stage and off will not count as part of the 10-minute performance time. For performances that exceed the 10-minute performance time, the choir will drop one rating.
4. Repertoire Requirements (including the warmup): Repertoire must be quality choral literature that is both festival appropriate and appropriate for each individual ensemble (voicing, genre of ensemble, etc.), **and all music should be memorized**. Judges have the discretion to take choice of repertoire into account for scoring using the performance rubric provided. Directors must cite credible literature sources from which their repertoire was chosen. Acceptable sources may include but are not limited to SC All-State Chorus Concert Repertoire, ACDA repertoire lists, High School Honor Choral Clinic lists, graded literature lists, etc. Judges have the ability to take off points for choice of repertoire if they feel that the music chosen does not fit the voices within the ensemble. Any repertoire information that is not received by the deadline will result in the ensemble's omission from the program. There will be no taped background accompaniment unless the tape is part of the composition.
5. Directors are to furnish three scores with numbered measures of each adjudicated selection performed. Copied music will not be allowed without a letter of permission from the publisher included with each judge's copy and a copy for the Festival Chairman to be provided at Registration. If copied music is used

without publisher permission, the choir will be able to perform for comments only.

6. Choral Public Domain Library Procedure: \*Print off the "Title" page of your piece that CPDL provides as a "cover" for your music, the judges' copies, and your accompanist (if applicable) and any other copies that you may bring with you. (For example: [http://www1.cpd.org/wiki/index.php/Missa\\_Hodie\\_Christus\\_natus](http://www1.cpd.org/wiki/index.php/Missa_Hodie_Christus_natus) (Josef\_Cainer) Contact the chairman if problems arise with this procedure.
7. All performance judges will provide recorded digital comments.
8. Separate ratings will be given for performance and sight-reading.
9. All choirs will be required to sight-read. If a choir performed for "comments only" on stage, then "comments only" will be allowed in the sight-reading room.
10. Student teachers that are allowed by their mentor teacher to conduct at Festival may only conduct 1 of the 2 adjudicated pieces, must be a current NAFME member, and must provide their membership card at the Registration Desk with the Director. This information must be provided on the Registration Form of the ensemble. If it is omitted, the student teacher will not be able to conduct the choir.
11. Names of the festival judges will be posted on the Choral Division website and announced at Choral Arts in September as well as at the SCMEA Professional Development Conference in February. Directors must not discuss the Choral Performance Assessment with the judges or use any of the judges as a clinician during that school year.
12. Directors, students, chaperones, and guests are to follow instructions given by the Choral Festival Committee on the day of the festival.
13. Directors are responsible for all students and chaperones and their behavior while at the festival site. Electronic devices are strictly prohibited in the performance venue. This rule covers everyone in attendance, including students, teachers, chaperones, and parents.
14. If a problem occurs, schools may incur a rating deduction, dismissal from the festival, and/or probation and suspension with accompanying letters to the director and principals notifying them of the infraction or inappropriate conduct.
15. All site procedures must be followed.

### **C. SIGHT-SINGING PROCEDURES/RULES**

1. Appropriate music will be available for each choir based on their stage performance classifications (female, male, mixed). Choirs are not required to sight-read in the same classification that they perform on stage (ex. choirs who perform SATB literature on stage may sight-read SAB materials). Please indicate your sight-reading preference on the registration form so we may know how many copies to order for each classification. Choirs may also opt to sight read down one classification if the program is new or in a growing state with a new director (i.e. a 5A school with a new choir director or a new growing program may sight read 4A instead of 5A).

2. The sight-reading music will have lyrics. However, the director may specify the syllable(s) to be used by the singers (i.e., "loo", solfège, counting syllables, etc.). Sight-reading the text is not recommended.
3. Directors and choirs will have six (6) minutes of preparation time before the evaluated sightreading performance. The evaluator will signal the conductor when one (1) minute of preparation remains. Directors must stop their preparation promptly when the evaluator indicates that the preparation time has expired.
4. The piano may be used only to arpeggiate the first (or tonic) chord and to sound individual reference pitches during the period of preparation. Two notes may not be played simultaneously on the piano. Two or more consecutive pitches from a particular voice part may not be sounded on the piano. The director may use his/her voice in any manner he/she wishes during the preparation period.
5. After sounding the beginning pitches, the piano may not be used during the evaluated sight-reading performance. Likewise, the director is prohibited from talking or singing with the ensemble during the evaluated sight-reading performance. In addition, students and directors are prohibited from producing any audible sound that assists in keeping a beat.
6. Directors and singers should heed any tempo indications, phrase markings, and/or dynamic indications in the sight-reading materials.
7. Choirs from the same school must sight-read different sight-reading examples in the adjudication room. Voicing information on the registration form indicates how many sight-reading examples per voicing are needed for the festival.
8. **The following lists should be used when aligning your choir for the sight-reading procedure. Students may NOT be used for two ensembles in the same category (for example, if you have a Chamber Choir that is your "Varsity" Mixed Choir, those students may not be used in another ensemble that is a "Varsity" Mixed Choir. Your "second" group must be your "Non-Varsity" Mixed Choir and will sight read "Non-Varsity" music in the sight-reading room. Further, Varsity students may not sing in Non-Varsity groups.**

#### **D. BEHAVIOR**

1. Teachers must accompany their choirs to the festival and remain with them during the day.
2. All mobile phones, pagers, iPads or other electronic devices, hats, sunglasses, and gum are prohibited. Any item that would interfere with performances, aurally or visually, or the appreciation of the festival will not be allowed.
3. Students are not to wander in and out of the performance area, especially during the adjudication of another group.
4. There is to be absolutely no loud talking, laughing, loud disrespectful noises, or other performance disruptions.
5. If a student, chaperone, parent, or director displays unbecoming or illegal behavior or damages property, he/she will be put on probation for the next year. In addition, unbecoming behavior may jeopardize the school's participation for the next year.
6. No food or drink of any kind is allowed in the performing area.
7. **No smoking** anywhere on or around the premises.
8. Choirs are encouraged to observe other choirs *respectfully* during the performance.
9. If any interference occurs during a group's performance, those responsible will have to leave the performance site immediately with their directors, chaperones, etc., and will not be allowed to stay. A disciplinary note will follow and may result in probation or suspension of the school from future Choral Performance Assessment participation.
10. All choirs, directors, chaperones, bus drivers, etc., must remain in the designated "choral performance assessment areas." Instructional areas and wings on campus not designated for festival use are prohibited. Any campus visitor found in prohibited areas will be dismissed from campus. A letter will be sent to the school director and principal informing them of the disciplinary action. Disciplinary action could result in probation or suspension.

#### **E. AWARDS**

1. Ratings will be: Superior (I), Excellent (II), Good (III), Fair (IV), and Poor (V). Award trophies will be given for Superior and Excellent ratings in performance. In addition, if a Varsity choir earns straight Superiors in performance and sight-reading, the rating will become Superior with Distinction. Performance ratings are determined by the rating opinion of 2 out of 3 of the judges. For example,

Judge 1 awards a II, Judge 2 awards a I, Judge 3 awards a II. The Overall Performance Rating would be a II. In the event the judges award three different ratings, the Overall Performance Rating will be the middle rating. For example, Judge 1 awards a I, Judge 2 awards a II, Judge 3 awards a III. The Overall Performance Rating: would be a II.

2. Ratings, score sheets, and awards may be picked up by the **director only**.

## PERFORMANCE SITE:

### Consequences of Rules Violations

#### Levels of Notification

1. One rule violation occurs: The choral director will receive a written letter from the committee stating exactly which standing rule was violated and that *all guidelines must be followed or the director and/or school risks being placed on probation and/or barred from participation in future SCMEA Choral Division events* if rules violations recur. The Principal will also receive a copy of the same letter **if** the violation compromised student safety at the event.
2. Two rule violations occur: the same choral director (even if transferred to another school in S.C.) again fails to adhere to the rules **or** commits two or more Rules Violations during the **same** event. Choral director and school will be put on probationary status. The school choral director, school principal, and Choral Division President will receive written letters from the committee stating that the school may still participate, but the SCMEA By-Laws and Standing Rules serve a real and valuable purpose and it is the Choral Director's responsibility to adhere to them. The letter will contain the event, date, and quote the exact standing rule(s) that were violated. The letters will also direct committee members who teach in the same region of South Carolina to serve as a mentor during this probationary period. Lastly, the letters will state that a recurrence of future violations will result in the students involved, **or** the Choral Director and the school choral program being barred from attending SCMEA events for a period of up to two years.
3. (a.) If the Choral Director continues to commit Rules Violations after #1 and #2 are issued, either the students involved, or the Choral Director and the school choral program will be barred from participation at all SCMEA Choral Division events for up to two consecutive years contingent upon the severity of the violations.  
(b.) If the evidence of violations is the direct result of the Choral Director's repeated negligence to review and adhere to the guidelines, the Choral Director (same or different school) and the choral program will be barred from participating in all Choral Division events for a period up to two consecutive years contingent upon the severity of the violations. The letters (a. and b.) will be mailed to the Choral Director, Principal, District Music Consultant, and Choral Division President containing the documented history of rules violations, dates, and quote the most recent standing rule(s) that were violated. Committee

members who teach in the same region of South Carolina will continue to serve as a mentor during this period.
